Except as required by law, no person shall be recognised by the ICAV as holding any shares upon any trust, and the ICAV shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Share or (except only as by this Instrument or by law otherwise provided) any other rights in respect of any Share except an absolute right to the entirety thereof in the registered holder. This shall not preclude the ICAV from requiring a Member or a transferee of Shares to furnish the ICAV with information as to the beneficial ownership of any Share when such information is reasonably required by the ICAV.

PART IV - PARTICIPATING SHARES

14. **Issue of Shares**

- (a) Subject as hereinafter provided, the ICAV, on receipt by its authorised agents of the following:
 - (i) an application for Shares in such form as the Directors may from time to time determine including by telephone or In writing;
 - (ii) such information and declarations as to the applicant's identity, status, residence and otherwise as the Directors or their authorised agent may from time to time require; and

- (iii) consideration for the Shares in such manner and at such time and place as the Directors from time to time may specify, provided that if payment is made in cash in a currency other than the currency designated for the Shares, the ICAV may convert or arrange for the conversion of the monies received into the currency designated for the Shares and shall be entitled to deduct therefrom all expenses incurred in connection with the conversion;

may allot and issue Shares of any Class at the Subscription Price on the relevant day, provided that if any such application is received after such time as specified in the Prospectus (or other time as the Directors may determine), the ICAV may refuse the application or defer the allotment or issue of such Shares until the next succeeding Dealing Day and provided further that if the information and declarations required pursuant to sub-paragraph (ii) of this Clause 14(a) and consideration in respect of the Shares and the original application form are not received by the ICAV within such period as the Directors may determine the Directors may cancel any provisional allotment and/or issue of Shares in respect thereof and if so cancelled the relevant consideration shall be returnable to the applicant at his risk (after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the ICAV for its own benefit) and until return it may be made use of by the ICAV for its own benefit.

- (b) Payment for Shares shall be made in such currency at such time, place and manner and to such person on behalf of the ICAV as the Directors may from time to time determine.
- (c) Shares may not be issued unless the equivalent of the net issue price is paid into the assets of the ICAV within the usual time limits. If payment in cleared funds in respect of a subscription has not been received by the Relevant Time, any allotment of Shares made in respect of such application may be cancelled. In the event of the non-clearance of subscription monies, any allotment in respect of an application may be cancelled. The Shareholder shall indemnify the ICAV for any loss suffered by the ICAV as a result of a failure by the Member to pay the subscription monies by the Relevant Time. In addition, the ICAV will have the right to sell all or part of the applicant's holding of Shares in the relevant Class or any other Class of the ICAV in order to meet those charges.

The Directors may, at their discretion, permit an investor to submit subscription monies up until such time after the relevant Dealing Day as may be specified in the relevant Prospectus. In this event, the ICAV may temporarily borrow an amount equal to the subscription and invest the amount borrowed in accordance with the investment objective and policies of the relevant Fund. Once the required subscription monies have been received, the ICAV will use this to repay the borrowings. The ICAV reserves the right to charge the relevant Shareholder for any interest or other costs incurred by the ICAV as a result of this borrowing. If the Shareholder fails to reimburse the ICAV for those charges, the ICAV will have the right to sell all or part of the applicant's holdings of Shares in the Fund or any other Fund of the ICAV in order to meet those charges.

- (d) Where the payment of the Subscription Price (either in the case of a subscription during an Initial Offer Period or a subsequent subscription) is satisfied (in whole or in part) by the transfer of Investments,
 - (i) the number of Shares to be issued shall not exceed the amount that would be issued for the cash equivalent of such Investments on the basis that the amount of such cash was an amount equal to the value of the Investments to be so vested in the Depositary as determined by the ICAV on the relevant Dealing Day;
 - (ii) the nature of the Investments transferred is such that the Investments would qualify as Investments for the relevant Fund in accordance with the investment objective, policies and restrictions of the relevant Fund;

- (iii) the assets to be transferred must be vested with the Depositary or its sub-custodian, nominee or agent and the Depositary is satisfied that there is unlikely to be any material prejudice to the Shareholders of the relevant Class.
- (e) The issue or allotment of Shares pursuant to this Clause shall be made on the Dealing Day in respect of which the application is received provided that such application is received, in respect of an application to be made during the Initial Offer Period, before the expiry of such period and, in respect of an application made after the Initial Offer Period no later than the Relevant Time for receipt thereof. If the application is received outside the Relevant Time, it may be treated as an application for Shares on the Dealing Day following such receipt.
- (f) The ICAV may (at the option of the Directors) satisfy any application for the allotment of Shares of any Class by procuring the transfer to the applicant of fully-paid Shares of the relevant Class and the effective date of such transfer shall be the relevant Dealing Day. In any such case, references in this Instrument to allotting Shares shall where appropriate be taken as references to procuring the transfer of Shares.
- (g) For the purposes of this Instrument:
 - (i) Shares of the Class concerned which have been allotted but not issued on a Dealing Day shall be deemed to be in issue on receipt of payment therefor and Shares of the Class concerned whose allotment has been cancelled and the relevant application monies have been returned to the applicant on or prior to a Dealing Day shall be deemed to cease to be in issue at the close of business on the day of such cancellation; and
 - (ii) Shares of the Class concerned which have been redeemed on a Dealing Day in accordance with Clause 24 shall be deemed to have ceased to be in issue at the close of business on the Dealing Day on which they are redeemed.
- (h) The Directors shall be entitled, but not obliged, to issue fractions of Shares up to such number of decimal places as the Directors may determine where the net consideration received by the ICAV is insufficient to purchase an integral number of Shares, provided however that fractions of Shares shall not carry any voting rights and provided further that the Net Asset Value per fraction of a Share of any Class shall be equal to the fraction of the Net Asset Value of the Share of such Class at the time of issue of such fraction of a Share and any dividend payable on such fraction of a Share shall be calculated accordingly.
- (i) In calculating the Subscription Price of a Share, the Manager may, in accordance with the provisions of the Prospectus, on any Dealing Day when net subscriptions exceed such percentage of the Net Asset Value as the Directors may determine, adjust the Subscription Price by adding an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the Fund. In calculating the Redemption Price of a Share, the Manager may, in accordance with the provisions of the Prospectus, on any Dealing Day when net redemptions exceed such percentage of the Net Asset Value as the Directors may determine, adjust the Redemption Price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the Fund.
- (j) Applications for the issue of Shares will be irrevocable unless the Directors, or a delegate, otherwise agree.

15. Subscription Price per Share of any Class/Single Swinging Price

- (a) The Initial Offer Price(s) per Share at which Shares of any Class shall be allotted and issued during the Initial Offer Period shall be determined by the Directors, and may be increased by such figure as the Directors consider represents an appropriate amount for

Duties and Charges and Spreads (as defined in paragraph (b)(iii) below), as may be disclosed in the Prospectus.

- (b) Save as provided in paragraph (d) the Subscription Price per Share of any Class to be issued subsequent to the Initial Offer Period shall be ascertained by:
- (i) determining the Net Asset Value of the Shares attributable to a Class calculated as at the Valuation Point for the relevant Dealing Day on which the subscription is to be made under Clauses 20 to 23 of this Instrument and adding thereto such sum as the Directors may consider represents an appropriate figure for Duties and Charges; and
 - (ii) dividing the amount calculated under (i) above by the number of Shares of such Class of the relevant Fund in issue or deemed to be in issue at the relevant Valuation Point; and
 - (iii) unless otherwise provided in the Prospectus, in respect of a Fund, making an adjustment to the resultant amount to reflect the fact that the actual cost of purchasing or selling assets of a Fund may deviate from the valuation principles used and set out in Clauses 20 to 23 due to Duties and Charges and spreads from buying and selling prices ("Spreads") of the assets which have an adverse effect on the value of a Fund known as "dilution". To mitigate the effects of dilution, the Directors may, at their discretion, make a dilution adjustment to the resultant amount at (ii) above by adding thereto, when such Fund is in a Net Subscription Position, and deducting therefrom, when such Fund is in a Net Redemption Position, such figure as the Directors consider represents an appropriate amount for Duties and Charges and Spreads. This discretion will be exercised as set out in the Prospectus; or
 - (iv) where provided in the Prospectus in respect of a Fund, the provisions of Clause 15(b)(iii) will not apply but instead such sums as the Directors may consider represents an appropriate figure for Duties and Charges and any other amounts necessary to account for the actual expenditure on the purchase of underlying investments shall be added to the figure calculated at Clause 15(b)(i); and
 - (v) adding thereto such amount as may be necessary to round the resulting amount to such number of decimal places, as the Directors deem appropriate, of the currency in which the relevant Class is designated.
- (c) Save as provided for in paragraph (b) and (d), the Subscription Price per Share of any Class of the relevant Fund to be issued subsequent to the Initial Offer Period may also be issued at the Initial Offer Price or a fixed price determined by the Directors, where, in the opinion of the Directors, the nature of the Fund means that the Net Asset Value per Share is not reflective of the true or fair value of the Subscription Price. The issuing of Shares in a Fund after the Initial Offer Period at the Initial Offer Price or a fixed price must be approved by the Central Bank and may be subject to a subscription or equalisation charge to ensure that all Shareholders are treated equitably. In addition, confirmation must be provided to the Central Bank that such issue will not result in any prejudice to the existing Shareholders of the ICAV.
- (d) Shares may be issued to Shareholders at their Net Asset Value on a relevant Dealing Day in circumstances where requests have been received for redemption of the same number of Shares in the same Fund on that Dealing Day.
- (e) Notwithstanding the foregoing, subscription monies received during the Initial Offer Period may be returned to investors and the launch of the Fund or a Class postponed in the event that, in the Directors' opinion, insufficient monies are received during the Initial Offer Period to launch the Fund or Class as a viable concern.

- (f) Subject to the provisions of the Act, the Directors on any Dealing Day may issue Shares of any Class on terms providing for settlement to be made by the vesting in the ICAV of any Investments and in connection therewith the following provisions shall apply:
- (i) in the case of a person who is not an existing Shareholder, no Shares shall be issued until the person concerned shall have completed and delivered to the Administrator an Application Form as required under this Instrument and satisfied all the requirements of the Directors and Administrator as to such person's application;
 - (ii) the nature of the Investments transferred into the relevant Fund are such as would qualify as Investments of that Fund in accordance with the investment objectives, policies and restrictions of such Fund;
 - (iii) no Shares shall be issued until the Investments shall have been vested in the Depository or any sub-custodian to the Depository's satisfaction and the Depository shall be satisfied that the terms of such settlement will not be such as are likely to result in any material prejudice to the existing Shareholders of the relevant Fund;
 - (iv) the Directors are satisfied that the terms of any exchange would not be such as would be likely to result in any prejudice to remaining Shareholders and provided that any such exchange shall be effected upon the terms (including provision for paying any expenses of the exchange and any subscription fee as would have been payable for Shares issued for cash) that the number of Shares issued shall not exceed the number which would have been issued for cash against payment of a sum equal to the value of the Investments concerned calculated in accordance with the principles set out in Clause 21(b). Such sum may be increased by such amount as the Directors may consider represents an appropriate provision for Duties and Charges which would have been incurred by the relevant Fund in the acquisition of the Investments by purchase for cash or decreased by such amount as the Directors may consider represents any Duties and Charges to be paid to the relevant Fund as a result of the direct acquisition by the Fund of the Investments.

16. **Minimum Subscription**

The Directors may decline to issue Shares to satisfy any application unless:

- (a)
 - (i) the amount in value of the Shares to which an application relates equals or exceeds the Minimum Initial Subscription or its equivalent in another currency or such amount as the Directors may from time to time determine in relation to any Class of Shares; or
 - (ii) such minimum amount of investment in Classes of Shares as the Directors may from time to time determine where an application is made for Shares of two or more Classes;

provided that the aggregate amount in value of the Shares to which an application relates shall not be less than the Minimum Holding; or

- (b) the applicant is already the holder of Shares and the amount in value of the Shares to which the application relates equals or exceeds the Minimum Subsequent Subscription or such other amount as the Directors may determine.

17. **Fees**

The Directors may, in their absolute discretion require any person to whom any Class of Shares are to be allotted to pay to the ICAV or any duly authorised agent of the ICAV for its absolute

use and benefit (and/or such person or persons promoting the subscription and distribution of Shares as the Directors may determine) a subscription fee at a rate to be determined by the Directors by reference to the aggregate amount subscribed but not exceeding in respect of each Share to be allotted an amount equal to 3% of the Subscription Price for such Share rounded up to such number of decimal places as the Director may determine of the currency in which such Shares is designated. The Directors may on any Dealing Day differentiate between applicants as to the amount of the subscription fee required to be paid to the ICAV or any duly authorised agent of the ICAV for its absolute use and benefit, and as to the amount of subscription fee to be levied on each Class (subject to the maximum aforesaid).

18. Suspension of Issue

No Shares of any particular Class shall be allotted or issued during any period when the determination of the Net Asset Value is suspended pursuant to this Instrument except those for which applications have been previously received and accepted by the ICAV or its authorised agent.

19. Restrictions on Members/Qualified Holders

The Directors shall have power (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no Shares of any Class are acquired or held directly or beneficially by:

- (a) any person who is not a Qualified Holder;
- (b) any person or persons in circumstances, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons connected or not, or any other circumstances appearing to the Directors to be relevant) which, in the opinion of the Directors might result in the ICAV incurring any liability to taxation or suffering fiscal, legal or regulatory disadvantages or a material administrative disadvantage which the ICAV might not otherwise have incurred or suffered or the ICAV being required to register under the 1940 Act or similar statute successor thereto or to register any class of its securities under the 1933 Act or similar statute successor thereto;
- (c) no person other than a Qualified Holder shall be or remain registered as a holder of Shares and the Directors may upon receipt of an application for any Class of Shares or (subject as herein provided) on a transfer of any Class of Shares or at any other time and from time to time require such evidence to be furnished to them in this connection as they shall in their discretion deem sufficient and in default of such evidence being furnished to the satisfaction of the Directors the Directors may require the repurchase or transfer of such shares pursuant to this Instrument.
- (d) a holder of any Class who shall cease to be a Qualified Holder shall promptly either give to the ICAV a redemption notice in respect of such Shares or shall promptly transfer such Shares to a Qualified Holder;
- (e) if the Directors shall in their absolute discretion consider that any holder of any Class is not a Qualified Holder (or at any time while registered as a holder of such Shares has not been a Qualified Holder), the Directors may require the redemption or transfer of such Shares in accordance with Clause 24 hereof.

PART V - DETERMINATION OF NET ASSET VALUE

20. Net Asset Value of Shares

- (a) The Net Asset Value of a Fund shall be calculated at each Valuation Point and shall be the value of all the assets comprised in the relevant Fund (including income accrued but not collected) less all the liabilities attributable to the relevant Fund (including a provision

for Duties and Charges accrued expenses and fees and other liabilities) and subject to the Act and the Central Bank Requirements.

- (b) The Net Asset Value of a Fund shall be expressed in the base currency of that Fund (translated where necessary at such rate of exchange as the Directors think fit).
- (c) The Net Asset Value of a Class of Shares within a Fund shall be calculated as follows:
 - (i) determining the allocation ratios for each Class of Shares which shall be done by dividing the figure calculated in A. below for each Class of Shares by the figure calculated in B. below:
 - A. adding the Net Asset Value of each Class of Shares for the previous Valuation Point and the value of Shareholder activity (i.e. net subscription/redemptions/switches placed as of the previous Valuation Point) for the current Valuation Point for each Class of Shares;
 - B. adding the total of the Net Asset Values for all Classes of Shares for the previous Valuation Point and the value of Shareholder activity (i.e. net subscriptions/redemptions/switches placed as of the previous Valuation Point) for the current Valuation Point for all Classes of Shares;
 - (ii) allocating the ICAV's income, expenses and realised and unrealised gains and losses accrued for the current Valuation Point to each Class of Shares with the amount to be allocated being calculated by multiplying the aggregate of such accrued amounts by the ratios determined in (i);
 - (iii) adding the figures from (ii) as allocated for each Class of Shares to the expenses accrued, distributions declared and the value of Shareholder activity (i.e. net subscriptions/redemptions/switches) for the current Valuation Point which are solely attributed to each specific Class of Shares. An expense will be attributed to a specific Class of Shares which is specifically attributable to that Class;
 - (iv) adding the results of (iii) for each Class of Shares to the Net Asset Value of the previous Valuation Point of the respective Class of Shares.
- (d) The costs and related liabilities/benefits arising from instruments entered into for the purposes of hedging the currency exposures for the benefit of any particular Class of a Fund shall be attributable exclusively to that Class.
- (e) The Net Asset Value of a Class of Shares within a Fund shall be expressed in the base currency in which the Fund is designated (except, where the currency of designation of the particular Class is different to the base currency of the Fund, it shall be expressed in the currency in which that Class is designated) (converted, where necessary at such rate of exchange as the Directors think fit).
- (f) The Net Asset Value of a Share within a Class shall be determined by dividing the Net Asset Value of the relevant Class by the number of Shares in that Class in issue and deemed to be in issue.

21. **Assets of the ICAV's Funds**

- (a) The assets of the ICAV and each of the Funds shall be deemed to include inter alia:

 - (ix) all other assets of the ICAV of every kind and nature including prepaid expenses as valued and defined from time to time by the Directors.
- (b) The valuation principles to be used in valuing the ICAV's assets are as follows:
- (i) the Manager shall be entitled to use the amortised cost method of valuation, whereby Investments are valued at their cost of acquisition adjusted for amortisation of premium or accretion of discount on the Investments rather than at the current market value of the Investments. However, the amortised cost method of valuation may only be used in relation to Funds which comply with the Central Bank's requirements for short-term money market funds and where a review of the amortised cost valuation vis-à-vis the market valuation is carried out in accordance with the Central Bank's guidelines. Money market instruments may be valued on an amortised cost basis, in accordance with the Central Bank's requirements;
 - (ii) the value of any Investment which is quoted, listed or normally dealt in on a Regulated Market, including units or shares in exchange-traded funds, shall (save in the specific cases set out in paragraph (i) above or in the relevant paragraphs below) be based on the closing mid-market price on such Regulated Markets as at the last Valuation Point or the last traded price when no closing mid-market price is available, provided that:
 - A. if an Investment is quoted, listed or normally dealt in on more than one Regulated Market, the Manager may, in its absolute discretion select any one of such markets for the foregoing purposes (provided that the Manager has determined that such market constitutes the main market for such Investment or provides the fairest criteria for valuing such Investments) and once selected a market shall be used for future calculations of the Net Asset Value of that Investment unless the Manager otherwise determines;
 - B. in the case of any Investment which is quoted, listed or normally dealt in on a Regulated Market but in respect of which, for any reason, prices on that market

may not be available at any relevant time, or, in the opinion of the Manager, may not be representative, the value therefor shall be the probable realisation value thereof estimated with care and in good faith by a competent person appointed by the Manager (and approved for the purpose by the Depositary); and

- C. in the case of any Investment which is quoted, listed or normally dealt in or on a Regulated Market but acquired or traded at a premium or at a discount outside or off the relevant Regulated Market, the Investment may be valued taking into account the level of premium or discount at the date of the valuation. The Depositary must ensure that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the Investment;
- (iii) the value of any Investment which is not quoted, listed or normally dealt in on a Regulated Market shall be the probable realisable value therefor estimated with care and good faith by a competent person appointed by the Manager (and approved for the purpose by the Depositary);
 - (iv) the value of any Investment which is a share of, unit of or participation in an open-ended collective investment scheme shall be the latest available net asset value for the Investment as published by the collective investment scheme in question or, where such Investment is quoted, listed or dealt in on a Regulated Market, may be a value determined in accordance with the provisions of paragraph (b)(ii) above;
 - (v) the value of any prepaid expenses, cash dividends and interest declared or accrued as aforesaid and not yet received shall be deemed to be the full amount thereof unless in any case the Manager is of the opinion that the same is unlikely to be paid or received in full in which case the value thereof shall be arrived at after making such discount as the Manager (with the approval of the Depositary) may consider appropriate in such case to reflect the true value thereof;
 - (vi) deposits/cash in hand shall be valued at their principal/face/nominal amount plus accrued interest from the date on which the same were acquired or made;
 - (vii) treasury bills shall be valued at the closing mid-market price on the market on which same are traded or admitted to trading as at the Valuation Point, provided that where such price is not available, same shall be valued at the probable realisation value therefor estimated with care and good faith by a competent person appointed by the Manager (and approved for the purpose by the Depositary);
 - (viii) bonds, notes, debenture stocks, certificates of deposit, bank acceptances, trade bills and similar assets shall be valued at the closing mid-market price on the market on which these assets are traded or admitted for trading (being the market which is the sole market or in the opinion of the Manager the principal market on which the assets in question are quoted or dealt in) plus any interest accrued thereon from the date on which same were acquired;
 - (ix) the value of any futures contracts and options (including index futures) which are dealt in on a Regulated Market shall be the settlement price as determined by the market in question, provided that if such settlement price is not available for any reason or is unrepresentative, same shall be valued at the probable realisation value thereof

- estimated with care and good faith by a competent person appointed by the Manager (and approved for the purpose by the Depositary);
- (x) the value of any OTC FDI contracts shall be:
 - A. the quotation from the counterparty provided that such quotation is provided on at least a daily basis and verified at least weekly by a person independent of the counterparty and who is approved for the purpose by the Depositary; or
 - B. an alternative valuation as the Manager deems it necessary in accordance with the requirements of the Central Bank. This may be a valuation that is provided on at least a daily basis by a competent person (which may be the ICAV) or an independent pricing vendor provided that the appointed party has adequate means to perform the valuation, is appointed by the Manager and the alternative valuation is approved by the Depositary (or a valuation by any other means, provided that the value is approved by the Depositary) and the rationale/methodologies used shall be clearly documented. The valuation principles employed must follow best international practice established by bodies such as IOSCO (International Organisation of Securities Commission) and AIMA (the Alternative Investment Management Association) and any such alternative valuation must be reconciled to that of the counterparty on a monthly basis. Where significant differences arise on the monthly reconciliation, these must be promptly investigated and explained;
 - (xi) notwithstanding the foregoing provisions, OTC FDI contracts may, alternatively be valued in accordance with the requirements of relevant regulations and/or the requirements of the Central Bank;
 - (xii) forward foreign exchange and interest rate swaps contracts may be valued in accordance with the previous paragraph or by reference to freely available market quotations (in which case there is no requirement to have such prices independently verified or reconciled to the counterparty valuation);
 - (xiii) notwithstanding any of the foregoing sub-paragraphs, the Manager may adjust the value of any Investment if, having regard to currency, applicable rate of interest, maturity, marketability, dealing costs and/or such other considerations as the Manager may deem relevant, the Manager considers that such adjustment is required to reflect the fair value thereof;
 - (xiv) a particular or specific asset valuation may be carried out using an alternative method of valuation if the Manager deems it necessary and the alternative method of valuation is approved by the Depositary and the rationale or methodologies used shall be clearly documented;
 - (xv) the Manager may, in order to comply with any applicable accounting standards, present the value of any assets of the ICAV in financial statements to Shareholders in a manner different to that set out in this section.
- (c) Any certificate as to Net Asset Value of Shares given in good faith (and in the absence of negligence or manifest error) by or on behalf of the Directors shall be binding on all parties.

Swing Pricing Adjustment

A Fund may suffer dilution of the Net Asset Value per Share due to investors buying or selling Shares in a Fund at a price that does not reflect the dealing and other costs that arise when security trades are undertaken by the Manager or Investment Manager to accommodate cash inflows or outflows. In order to counter this impact, a swing pricing mechanism may be adopted to protect the interests of Shareholders of a Fund. If on any Dealing Day, the aggregate net transactions in Shares of a Fund exceed a pre-determined threshold (based on a consideration of the net dealing activity in the relevant Fund on a Dealing Day), as determined and reviewed for each Fund on a periodic basis by the Directors, the Net Asset Value per Share may be adjusted upwards or downwards to reflect net inflows and net outflows respectively. The net inflows and net outflows will be determined by the Directors or their delegate based on the latest available information at the time of calculation of the Net Asset Value per Share. The extent of the price adjustment will be set by the Directors to reflect dealing and other costs. Such adjustment may vary from Fund to Fund and will not exceed 2% of the original Net Asset Value per Share. The price adjustment applicable to a specific Fund is available on request from the ICAV at its registered office.

Similarly, in order to protect the interests of Shareholders in a Fund that is being merged into a receiving Fund, the Directors may adjust the final Net Asset Value per Share of the merging Fund, or make other appropriate adjustments in order to ensure that the impact of any pricing adjustment made through the swing pricing mechanism in the receiving Fund as a result of cash inflows or outflows in the receiving Fund on the merger date does not adversely affect the merging Fund or the receiving Fund.

The Directors may consider it appropriate not to apply the swing price adjustment to the Net Asset Value per Share of a Fund where it is seeking to attract inflows to assist a Fund in reaching a certain size. If such a decision is taken in relation to a Fund, the Directors will pay the dealing and other costs resulting from securities trades to avoid the Fund suffering dilution of the Net Asset Value. Where this happens Shareholders will subscribe or redeem at a Net Asset Value that will not have been adjusted upwards as would have been the case if the swing pricing mechanism had been applied.

PART VI - REDEMPTION OF PARTICIPATING SHARES

24. Redemption

- (a) Subject to the provisions of the Act and the Central Bank Requirements, and subject as hereinafter provided, the ICAV shall, on receipt by the ICAV or its duly authorised agents of a redemption request in such form as may be prescribed by the ICAV in relation to a Fund from a holder of Shares (the “Redemption Form” and the “Applicant” respectively) which request shall, save as provided in this Clause, be irrevocable, redeem all or any portion of the Shares held by the Applicant at the Redemption Price (as hereinafter set out) for each such Share of the Class concerned determined in accordance with the provisions of this Instrument, or procure the purchase thereof at not less than the Redemption Price PROVIDED THAT:
 - (i) the request shall not result in a Shareholder holding less than the Minimum Holding (or such lesser amount as the ICAV may determine);
 - (ii) the redemption of Shares of any Class pursuant to this Clause shall be made on the Dealing Day following the Business Day on which the request is received before the Relevant Time on such Business Day and, if received after the Relevant Time, the request shall (unless otherwise determined by the Directors) be treated as having been received on the next following Business Day.
 - (iii) in the event that the determination of the Net Asset Value of the relevant Fund has been suspended in accordance with Clause 28, the right of the Applicant to have his Shares redeemed pursuant to this Clause shall be similarly suspended and during the period of suspension he may withdraw his request for redemption. Any withdrawal of a request for redemption under the provisions of this Clause shall be made in writing and shall only be effective if actually received by the ICAV or its duly authorised agent before termination of the period of suspension. If the request is not so withdrawn the redemption of the Shares shall be made on the Dealing Day next following the end of the suspension or on such earlier day following the end of the suspension as the Directors at the request of the Applicant may agree.
- (b) Redemption Forms may be sent in writing or by facsimile at the risk of the relevant Shareholder.
- (c) The redemption under the provisions of this Clause shall be deemed to be effected immediately after the Valuation Point for the Dealing Day or such day as may be agreed

or determined pursuant to paragraph (a) above of this Clause 24 but such Shares shall remain in existence until they cease to be in issue in accordance with Clause 14(f).

- (d) Upon the redemption of a Share being effected pursuant to this Instrument, the Applicant shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend (if any) which has been declared in respect thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register with respect thereto, the relevant Shares shall be treated as cancelled and the amount of issued share capital in respect of Shares shall be reduced by the appropriate amount of the Redemption Price paid by the ICAV.
- (e) Redemption facilities will be provided in the manner set out in the Prospectus. Where the ICAV receives in respect of any Dealing Day requests for redemption or switching (which, at the discretion of the ICAV, may exclude requests for redemption in kind) which in the aggregate amount to more than 10% of the total number of shares of any Fund or at least 10% of the Net Asset Value of any Fund, and the Manager decides to refuse to redeem any shares in excess of 10% of the total number of shares of any Fund or such higher percentage that the Manager may determine, each such request for redemption or switching of Shares of the relevant Fund may be reduced pro rata so that all such requests (which may exclude redemptions in kind) cover no more than 10% of the Net Asset Value of the relevant Fund. Any part of a redemption or switching request to which effect is not given by reason of the exercise of this power by the ICAV shall be treated as if a request had been made in respect of the next Dealing Day and each succeeding Dealing Day (in relation to which the ICAV shall have the same power) until the original requests have been satisfied in full provided always that requests for redemption or switching that remain to be satisfied by reason of the exercise of this power by the ICAV shall be complied with in priority to later requests.
- (f)
 - (i) If it shall come to the notice of the Directors that any Shares are owned directly or beneficially by any person in breach of the restrictions imposed by Clause 19 above, the Directors may give notice to such person requiring him to transfer such Shares to a person who is qualified or entitled to own such Shares or to give a request In writing for the redemption of such Shares in accordance with paragraph (a) above. If any person upon whom such a notice is served pursuant to this sub-paragraph does not within thirty days after such notice:
 - A. transfer his shares to a person qualified to own such Shares;
 - B. request the ICAV to redeem his Shares; or
 - C. establish to the satisfaction of the Directors (whose judgement shall be final and binding and conclusive) that he is not subject to such restrictions;he shall be deemed upon the expiration of such thirty days to have given a request In writing for the redemption of all his Shares pursuant to paragraph (a) above and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption of the said Shares by the ICAV.
 - (ii) A person who becomes aware that he is holding or owning Shares in breach of any such restrictions as aforesaid shall forthwith unless he has already received a notice pursuant to sub-paragraph (i) above either transfer all his Shares to a person qualified to own such Shares or give a request In writing for the redemption of all his Shares pursuant to paragraph (a) above.
 - (iii) Payment of any amount due to such person pursuant to sub-paragraph (i) or (ii) above will be deposited by the ICAV in a bank for payment to such person against surrender of the Shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such Shares or

any of them or any claim against the ICAV in respect of such Shares except the right to receive such amounts so deposited (without interest).

- (g) Where, in any case involving a redemption of less than the entire of an Applicant's holding of Shares, any amount representing the redemption monies for such Shares is not an exact multiple of their Redemption Price a fraction of a Share shall be registered in the name of the Applicant who shall be registered as the holder of such a fraction provided however that such fraction of a Share as may be set out in the relevant Prospectus is not required to be registered and amounts representing such fraction of a Share will not be returned to the Applicant but will be retained by the ICAV in order to defray administration costs.

In addition to the foregoing, the Directors may determine not to return any amount for Shares which is less than a whole unit of denomination specified by them of any particular currency.

- (h) In circumstances in which the ICAV shall be able to procure a purchase of a redeeming Shareholder's Shares, although no actual redemption shall be effected, where a purchase is procured in these circumstances a redeeming Shareholder shall be paid the sale proceeds.

- (i) The ICAV may, at its discretion, redeem Shares of any Class of a Fund by way of exchange for Investments provided that:

(i) the redemption request is completed and delivered to the Administrator as required by this Instrument and the redemption request otherwise satisfies all of the requirements of the Directors as to such request and, save as provided at (iii) below, the Shareholder seeking redemption of Shares, agrees to such course of action;

(ii) the Directors and the Depositary are satisfied that the terms of any exchange would not be such as would be likely to result in any material prejudice to the remaining Shareholders, and have elected that instead of the Shares being redeemed in cash, the redemption shall be satisfied in specie by the transfer to the Shareholder of Investments provided that the value thereof shall not exceed the amount which otherwise would have been payable on a cash redemption and provided that the transfer of Investments is approved by the Depositary. Such value may be reduced by such amount as the Directors may consider represents any Duties and Charges to be paid to the Fund as a result of the direct transfer by the ICAV of the Investments or increased by such amount as the Directors may consider represents any appropriate provision for Duties and Charges which would have been incurred by the ICAV in the disposition of the Investments to be transferred. The shortfall (if any) between the value of the Investments transferred on a redemption in specie and the redemption proceeds which would have been payable on a cash redemption shall be satisfied in cash. Any decline in the value of the Investments to be transferred in settlement of a redemption between the relevant Dealing Day and the day on which Investments are delivered to the redeeming Shareholder shall be borne by the redeeming Shareholders; and

(iii) if a redeeming Shareholder requests redemption of a number of Shares that represents 5% or more of the Net Asset Value of a Fund, the Manager may, without the consent of the redeeming Shareholder, where utilising the discretion of the ICAV, redeem the Shares by way of exchange for Investment and in such circumstances the ICAV will, if requested by the redeeming Shareholder, sell the Investments on behalf of the Shareholder (the cost of the sale can be charged to the Shareholder). This limit may be varied as may be permitted by the Central Bank and will be set out in the Prospectus.

- (j) If the discretion conferred upon the ICAV above is exercised, the ICAV shall notify the Depositary and shall supply to the Depositary particulars of the Investments to be

transferred and any amount of cash to be paid to the Shareholder. Any allocation of Investments pursuant to an in specie redemption is subject to the approval of the Depositary.

- (k) The Shareholders of any Fund may, by way of Special Resolution, and subject to the Central Bank Requirements, authorise the amalgamation/merger of the Fund with any other collective investment scheme or schemes or any compartment or compartments thereof, which amalgamation/merger may involve the redemption of the Shares of the relevant Fund and the transfer of the whole or part of the assets of the Fund to the Depositary/trustee (who may or may not be regulated by the Central Bank) of the relevant collective investment scheme or schemes.
- (l) The Shareholders of any Fund may, by way of Special Resolution, and subject to the Central Bank Requirements, authorise the amalgamation/merger of the Fund with any other Fund, which amalgamation/merger will involve the redemption of Shares of the relevant Fund and the transfer of the whole or part of the assets of the Fund to that other Fund.

25. **Restrictions on Redemptions**

- (a) Shares shall be redeemed pursuant to this Clause at the Net Asset Value per Share as at the Valuation Point immediately preceding the relevant Business Day or where such Business Day is also a Valuation Point, at the Net Asset Value per Share as at the relevant Business Day as determined in accordance with the provisions of Clauses 20 to 23 less such sum as the Directors, in their absolute discretion, may from time to time determine as an appropriate provision for Duties and Charges in relation to the realisation or cancellation of the Shares to be redeemed and subject always to the resulting total being adjusted downwards to the nearest lowest denomination of the relevant currency or currencies.
- (b) If all the Shares in the relevant Fund are to be redeemed as aforesaid the Directors may, with the sanction of a Special Resolution, divide amongst the Shareholders in specie all or part of the assets of the relevant Fund according to the number of the Shares then held by each Shareholder in the relevant Fund.

26. **The Redemption Price/Single Swinging Price**

- (a) Save as provided in paragraph (b) below the Redemption Price for a Share of any Class shall be an amount as determined by the Directors on the relevant Dealing Day by:
 - (i) determining the Net Asset Value of the relevant Class calculated as at the Valuation Point for the relevant Dealing Day in accordance with the provisions of Clauses 20 to 23;
 - (ii) dividing the amount calculated under (i) above by the number of Shares of such Class of the relevant Fund in issue or deemed to be in issue at the relevant Valuation Point; and
 - (iii) unless otherwise provided in the Prospectus in respect of a Fund, making an adjustment to the resultant amount to reflect the fact that the actual cost of purchasing or selling assets of a Fund may deviate from the valuation principles used and set out in Clauses 20 to 23 due to Duties and Charges and Spreads from buying and selling prices of the assets which have an adverse effect on the value of a Fund known as "dilution". To mitigate the effects of dilution, the Directors may, at their discretion, make a dilution adjustment to the resultant amount at (ii) above by adding thereto, when such Fund is in a Net Subscription Position, and deducting therefrom, when such Fund is in a Net Redemption Position, such figure as the Directors consider represents an appropriate amount for Duties and Charges and Spreads. This discretion will be exercised as set out in the Prospectus; or

- (iv) where provided in respect of a Fund, the provisions of Clause 26(a)(iii) will not apply but instead such sums as the Directors may consider represents an appropriate provision for Duties and Charges and any other amounts necessary to account for the actual sale price of underlying investments shall be deducted from the figure calculated at Clause 26(a)(i); and
 - (v) deducting therefrom such amount as may be necessary to round the resulting amount to such number of decimal places as the Directors deem appropriate of the currency in which the relevant Class is designated.
- (b) Shares may be redeemed at their Net Asset Value on a relevant Dealing Day in circumstances where applications have been received for subscriptions of the same number of Shares in the same Fund on that Dealing Day.
 - (c) If any redemption requests received by the Directors would necessitate, in the opinion of the Directors, the breaking of deposits at a penalty or the realisation of Investments at a discount below their value, as calculated in accordance with Clause 22, the Redemption Price in respect of the relevant Shares may be reduced by a proportionate part of such reduction in value or penalty which will be suffered by the relevant Fund in such manner as the Directors may consider fair and equitable and which is approved by the Depositary. Alternatively, the Directors may arrange for the ICAV to borrow funds in accordance with Clause 82 subject always to any borrowing restrictions in force in relation to the ICAV or the relevant Fund, and the costs of such borrowings may be apportioned as aforesaid to such extent as the Directors may consider fair and equitable.
 - (d) Any certificate as to the Redemption Price given in good faith (and in the absence of negligence or manifest error) by or on behalf of the Directors shall be binding on all parties.
 - (e) Notwithstanding any other provision of this Instrument, if the ICAV becomes liable to account for tax in any jurisdiction in the event that a Shareholder or beneficial owner of a Share were to receive a distribution in respect of his Shares or to dispose (or be deemed to have disposed) of his Shares in any way ("Chargeable Event"), the ICAV shall be entitled to deduct from the payment arising on a Chargeable Event an amount equal to the appropriate tax and/or where applicable, to appropriate or cancel such number of Shares held by the Shareholder or such beneficial owner as are required to meet the amount of tax. The relevant Shareholder shall indemnify and keep the ICAV indemnified against all loss arising to the ICAV by reason of the ICAV becoming liable to account for such tax in any jurisdiction on the happening of a Chargeable Event if no such deduction, appropriation or cancellation has been made.
 - (f) The Directors may, in their absolute discretion, and in the circumstances set out in the Prospectus, deduct from the Redemption Price for the absolute use and benefit of the ICAV a redemption charge in respect of Shares of any Class which have been redeemed or transferred (at the request of the Member) provided however that such redemption charge shall not exceed 3% per cent of the Net Asset Value of the relevant Shares on the relevant Dealing Day rounded to such number of decimal points as the ICAV may determine of the designated currency of the Class in the relevant Fund.
 - (g) The maximum redemption charge shall not be increased without the prior approval of Shareholders of the relevant Class given on the basis of a simple majority of votes cast in a meeting of the Shareholders of the relevant Class or with the unanimous written consent of all Shareholders of the relevant Class. In the event of an increase in the maximum redemption charge the ICAV shall provide a reasonable notification period to enable Shareholders redeem their Shares prior to the implementation of the increase (save where the increase has been unanimously approved by the Shareholders).
 - (h) Payment of redemption proceeds shall normally be made in the currency of the Class as set out in the relevant redemption request and generally within 10 Business Days of the

relevant Dealing Deadline (subject to Clause 28). Redemption proceeds will be paid by wire transfer (less expenses) or cheque to the bank account detailed on the Application Form or as subsequently notified to the Administrator in writing. If no such instructions have been given redemption proceeds will be sent by post to the relevant Shareholder's address as set out in the Shareholder's Register and, in the case of joint holders, the joint holder whose name stands first in the Shareholder's Register.

27. **Compulsory Redemption**

- (a) All the Shares of the ICAV or the Shares of any Fund or class of Shares may be compulsorily redeemed:
- (i) where Shares are or become owned, directly or indirectly, by or for the benefit of any person in breach of any restrictions on ownership from time to time specified by the Directors;
 - (ii) in circumstances in accordance with which the provisions of Clause 24(a)(ii) of this Instrument apply;
 - (iii) where, in the opinion of the Directors, such redemption would eliminate or reduce the exposure of the ICAV or its Shareholders to adverse tax or regulatory consequences or if Shares are held by a Shareholder who is not a Qualified Holder;
 - (iv) where not less than 75% of the Shareholders (voting at the meeting either in person or by proxy) approve of the redemption of the Shares at a general meeting of the relevant Share class of which not less than 21 days' notice has been given;
 - (v) at the discretion of the Directors, after the first anniversary of the first issue of Shares of the relevant class if the Net Asset Value of the relevant class falls below the minimum holding amount set out in respect of a Fund for a period of ten (10) Business Days or more;
 - (vi) at the discretion of the Directors, if the Fund ceases to be listed on a stock exchange;
 - (vii) a Shareholder has not completed the anti-money laundering procedures to the satisfaction of the ICAV and/or the Administrator; or
 - (viii) at the discretion of the Directors acting reasonably, upon the provision of reasonable notice to a Shareholder.

The ICAV may deduct Duties and Charges and a Redemption Fee from the proceeds of any such compulsory redemption prior to remitting same to a redeeming Shareholder.

- (b) The ICAV shall redeem without charge all Shares if the Depositary has served notice of its intention to retire under the terms of the Depositary Agreement (and has not revoked such notice) and no new Depositary has been formally approved and appointed by the ICAV within 90 days of the date of service of such notice. In such circumstances, the Depositary shall not cease to be the Depositary of the ICAV until the Central Bank has revoked the authorisation of the ICAV under the Act and the Central Bank Requirements.

PART VII - SUSPENSION OF REDEMPTION, VALUATION AND DEALINGS

28. **Temporary Suspensions/Delays**

- (a) The Directors may declare a temporary suspension of the determination of the Net Asset Value of any particular Fund and of the issue and redemption of the Shares of the relevant Fund:

- (i) during the whole or any part of any period when any of the principal markets or stock exchanges on which any significant portion of the Investments of the relevant Fund from time to time are quoted, listed, traded or dealt in is closed (otherwise than for customary weekend or ordinary holidays) or during which dealings therein are restricted or suspended or trading on any relevant futures exchange or market is restricted or suspended;
 - (ii) during the whole or any part of any period when, as a result of political, economic, military or monetary events or any other circumstances outside the control, responsibility and power of the Directors, any disposal or valuation of Investments of the relevant Fund is not, in the opinion of the Directors, reasonably practicable without this being prejudicial to, or detrimental to the interests of, owners of Shares in general or the owners of Shares of the relevant Fund or if, in the opinion of the Directors, the Net Asset Value cannot fairly be calculated;
 - (iii) during the whole or any part of any period when any breakdown occurs in the means of communication normally employed in determining the value of any of the Investments of the Fund or when for any other reason the value of any of the Investments or other assets of the Fund cannot reasonably or fairly be ascertained;
 - (iv) during the whole or any part of any period when the ICAV is unable to repatriate funds required for the purpose of making redemption payments or when such payments cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange or during which there are difficulties or it is envisaged that there will be difficulties, in the transfer of monies or assets required for subscriptions, redemptions or trading;
 - (v) upon the publication of a notice convening a general meeting of Shareholders for the purposes of resolving to wind up the ICAV;
 - (vi) during any period in which a counterparty with which the ICAV has entered into a swap transaction is unable to make any payment due or owing under the swap, including where it is unable to repatriate or exchange at a reasonable rate the proceeds of its underlying hedge;
 - (vii) during any period when the Directors, in their discretion, consider suspension to be required in the interests of the ICAV, a Fund, or the Shareholders of a Fund;
 - (viii) during any period during which the Directors, in their discretion, consider suspension to be required for the purposes of effecting a merger, amalgamation or restructuring of a Fund or of the ICAV; or
 - (ix) if the suspension is required by the Central Bank in accordance with the Regulations or the Central Bank Requirements.
- (b) Any such suspension shall take effect at such time as the Directors shall declare but not later than the close of business on the Business Day next following the declaration and, thereafter, there shall be no determination of the Net Asset Value of the relevant Fund and issue of Shares or redemption of Shares of the relevant Fund until the Directors shall declare the suspension at an end except that the suspension shall terminate in any event on the first Business Day on which:
- (i) the condition giving rise to the suspension shall have ceased to exist; and
 - (ii) no other condition under which suspension is authorised under paragraph (a) of this Clause shall exist.
- (c) The Directors may postpone the payment of a redemption payment (or portion thereof) in circumstances where Investments of the relevant Fund cannot be liquidated in a timely fashion to meet redemption requirements without having a significant adverse effect on

the relevant Fund but only to the extent that the ICAV has not received funds in respect of the liquidation of Investments. Any such postponement shall take effect at such time as the Directors shall declare (which declaration will be made within three Business Days after the relevant Dealing Day) and shall end on the earliest to occur of:

- (i) the receipt by the ICAV of funds in respect of the liquidation of all the relevant Investments;
- (ii) the borrowing by the ICAV of sums required to meet such payment obligations; and
- (iii) the first Business Day after a period of thirty days following the day on which such declaration is made.

29. Notification of Suspensions

Any such suspension of the determination of the Net Asset Value of a Class and the issue and redemption of Shares shall be notified by the ICAV immediately (and in any event during the Business Day on which the suspension took place) to the Central Bank and any other competent authority.

PART VIII - FUND SWITCHES

30. Fund Switches

Subject to Clauses 24 and 25 above and as hereinafter provided the holder of any Shares of any Class of a Fund on any Dealing Day shall have the right from time to time to exchange such minimum amount and value of his holding of Shares in such Fund which as may be specified by the Directors, to Shares of such Class or Classes of the same Fund or other Fund or Funds as may be specified by the Directors on such terms as may be specified by the Directors in the relevant Prospectus.

PART IX - CERTIFICATES AND CONFIRMATIONS OF OWNERSHIP

31. Confirmation of Ownership

Every person whose name is entered as a Shareholder in the Register shall receive a written confirmation of:

- (a) ownership of the relevant Class(es) of Shares; and
- (b) entry of his name on the Register.

The ICAV shall not issue share certificates to any Shareholder.

32. Calls on Subscriber Shares

- (a) The Directors may from time to time make calls upon the Members in respect of any moneys unpaid on the Subscriber Shares provided that (except as otherwise fixed by the conditions of application or allotment) no call on any Subscriber Shares shall be payable at less than fourteen days from the date fixed for the payment of the last preceding call, and each Member shall (subject to being given at least fourteen days' notice specifying the time or times and place of payment) pay to the ICAV at the time or times and place so specified the amount called on his Subscriber Shares. A call may be payable by instalments. A call may be revoked or postponed as the Directors may determine. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.
- (b) The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the money uncalled and unpaid upon the Subscriber Shares held by him beyond the sums actually called up thereon as a payment in advance of calls, and such

payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the Subscriber Shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which it has been received.

PART X - TRANSFER OF SHARES

33. Procedure on Transfer

- (a) All transfers of shares shall be effected by an instrument in writing in any usual or common form approved by the Directors or by such other means as the ICAV may prescribe from time to time where such means are in accordance with the Central Bank Requirements. No transfer of Subscriber Shares or of Shares in a Side Pocket Share Class may be effected without the prior written consent of the ICAV. The instrument of transfer must comply with the requirements of Sections 42 to 45 of the Act, shall be signed by or on behalf of the transferor and need not be signed by the transferee. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
- (b) No Share of any Class has been or will be registered under the 1933 Act or the securities laws of any State of the United States. Accordingly, Shares of any Class may not be offered, sold, transferred or delivered, directly or indirectly, in the United States or to, or for the account of, a US Person at any time without the prior consent of the Directors, which consent may be granted or withheld in the sole discretion of the Directors but which will not in any case be granted if, as the result thereof, the number of Participating Shareholders who are US Persons would exceed such number as may be specified by the Directors or in the absence of specification, 50.
- (c) If a transferee who is a US Person applies to register a transfer of Shares and if as a result of such transfer the number of holders of Shares known to the ICAV to be US Persons would exceed such number as the Directors may from time to time determine (or in the absence of determination, 50) or the ICAV otherwise becomes aware that a holder of Shares is a US Person who acquired Shares without the prior consent of the Directors, the ICAV will refuse to register the transfer in favour of the US Person and/or may direct the US Person to sell his Shares within 30 days and provide to the ICAV evidence of the sale by him or to make the request that the ICAV redeem the Shares pursuant to Clause 24. If the US Person fails to comply with the direction, the ICAV will compulsorily redeem the holding of Shares of such US Person pursuant to Clause 27.
- (d) The Directors may, within 2 months of receipt of the relevant instrument of transfer, decline to register any transfer of a Share:
 - (i) where they are aware or reasonably believe that such transfer would result in the legal or beneficial ownership of such Shares by a person who is not a Qualified Holder or expose the ICAV to adverse tax or regulatory consequences;
 - (ii) to a person who is not already a Shareholder, if as a result of such transfer, the proposed transferee would not be the holder of a Minimum Holding of Shares; or
 - (iii) if as a result of such transfer the transferor's holding would drop below the Minimum Holding.
- (e) If the Directors decline to register a transfer of any share they shall, within two months after the date on which the instrument of transfer was lodged with the ICAV, send to the transferee notice of the refusal.
- (f) The registration of any transfers may be suspended at such times and for such periods as the Directors from time to time may determine, **PROVIDED ALWAYS** (but subject to the provisions hereof) that such registration of transfers shall not be suspended for more than thirty days in any year.

34. **Purchase of Subscriber Shares**

The Directors may at any time direct that any Subscriber Shares not held by Niche Asset Management Limited or Devine & Partners Ltd or their nominee(s) shall be compulsorily purchased from the holder thereof at the price of €1 per Subscriber Share in the following manner:

- (a) The Directors shall serve a notice (hereinafter called a "Purchase Notice") upon the person appearing in the Register as the holder of the Subscriber Shares to be purchased (the "Vendor") specifying the Subscriber Shares to be purchased as aforesaid, the price to be paid for such Subscriber Shares, the person in whose favour such holder must execute a transfer of such Subscriber Shares and the place at which the purchase price in respect of such Subscriber Shares is payable. Any Purchase Notice may be served upon the Vendor by mailing such notice in a pre-paid registered envelope addressed to the Vendor at his address shown in the Register. The Vendor shall thereupon forthwith be obliged to deliver to the ICAV within ten days from the date of the Purchase Notice a duly executed transfer of the shares specified in the Purchase Notice in favour of the person specified in the Purchase Notice.
- (b) In the event of the Vendor failing to carry out the sale of any Subscriber Shares which he shall have become bound to transfer as outlined in paragraph (a) above, the Directors may authorise some person to execute a transfer of such Subscriber Share(s) in accordance with the direction of the Directors and may give good receipt for the purchase price of such Subscriber Share, and may register the transferee or transferees as holder or holders of such Subscriber Shares and thereupon the transferee or transferees shall become indefeasibly entitled to such Subscriber Shares.

35. **Entry in Register**

The instrument of transfer of a Share shall be Signed by or on behalf of the transferor. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect of such Share.

36. **Refusal to Register Transfers**

The Directors may in their absolute discretion, without assigning any reason therefor, decline to recognise any transfer of Shares:

- (a) unless the instrument of transfer is deposited at the Office or such other place as the Directors may reasonably require together with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and satisfying the Directors as to their requirements to prevent money laundering as they may apply from time to time;
- (b) where the transfer of a Share or any renunciation of any allotment made is in respect of a Subscriber Share which is not fully paid;
- (c) unless the instrument of transfer relates to Shares of one Class only;
- (d) such transfer will be likely to result in the legal and beneficial ownership of such Shares by a person who is not a Qualified Holder;
- (e) where the holding of such Shares would result in regulatory, pecuniary, legal, taxation or material administrative disadvantage for the relevant Fund or its Shareholders as a whole.

37. **Procedure on Refusal**

If the Directors decline to register a transfer of any share they shall, within two months after the date on which the transfer was lodged with the ICAV, send to the transferee notice of the refusal.

38. Suspension on Transfers

The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine PROVIDED ALWAYS that such registration shall not be suspended for more than thirty days in any one year.

39. Retention of Transfer Instruments

Subject to Clause 129 below all instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Directors may decline to register shall (except in any case of fraud) be returned to the person depositing the same.

40. Absence of Registration Fees

No fee shall be charged to the Member for the registration of any instrument of transfer or other document relating to or affecting the title to any share.

PART XI - TRANSMISSION OF SHARES

41. Death of Member

In the case of the death of a Member, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the ICAV as having title to his interest in the shares held by such a Member, but nothing in this Clause shall release the estate of the deceased holder whether sole or joint from any liability in respect of any share solely or jointly held by him.

42. Transfer/Transmission - Special Circumstances

Any curator or other legal representative of a Member under legal disability and any person entitled to a share in consequence of the death or bankruptcy of a Member shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the share or to make such transfer thereof as the deceased or bankrupt Member or Member under a disability could have made, but the Directors shall in any case have the same right to refuse or suspend registration as they would have had in the case of a transfer of the share by the Member under disability or by the deceased or bankrupt Member before the death or bankruptcy or by the Member under legal disability before such disability.

43. Rights before Registration

A person becoming entitled to a share in consequence of the death or bankruptcy of a Member shall have the right to receive and may give a discharge for all dividends and other moneys payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the ICAV, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the shares PROVIDED ALWAYS that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety days the Directors may thereafter withhold all dividends or other moneys payable or other advantages due in respect of the share until the requirements of the notice have been complied with.

44. **ICAV's power to sell Shares**

- (a) The ICAV may sell in such manner as the Directors decide at the best price reasonably obtainable a Share of a Member or a Share to which a person is entitled by transmission if:
 - (i) during a period of 12 years the ICAV has paid at least three dividends (whether interim or final) in respect of the Share and during that period no dividend cheque or warrant sent by the ICAV through the post in a pre-paid letter addressed to the Member or the person at his address on the Register or the last known address given by the Member or the person to which cheques and warrants are to be sent has been cashed;
 - (ii) on or after the expiry of the period referred to in Clause 44(a)(i), the ICAV has given notice of its intention to sell the Share by advertisement in a national newspaper circulating in Ireland and in a newspaper circulating in the area in which the address referred to in Clause 44(a)(i) is located; and
 - (iii) during the period commencing at the start of period referred to in Clause 44(a)(i) and ending on the date three months after the date of publication of the advertisement specified in Clause 44(a)(ii) the ICAV has not received any communication from the Member or the person.
- (b) If during the period commencing at the start of period referred to in Clause 44(a)(i) and ending on the date when all the requirements in Clause 44(a)(i) to (iii) have been satisfied a further Share has been issued in respect of a right attaching to a Share held at the start of that period or of any previously so issued during that period and all the requirements in Clause 44(a)(i) to (iii) have been satisfied in respect of the further Share, the ICAV may also sell the further Share.
- (c) The transferee is not bound to see the application of the purchase money and his title to the Share is not affected by any irregularity in or invalidity of the procedure or manner of the sale.
- (d) The ICAV shall account to the Member or other person for the net proceeds of the sale by carrying an amount in respect of the net proceeds to a separate account which is a permanent debt of the ICAV. The ICAV is deemed to be a debtor and not a trustee for the member or other person in respect of that amount. The Board may invest or otherwise use for the ICAV's benefit an amount carried to a separate account until it is claimed. Any money earned on an amount so invested or used belongs to the ICAV and is not obliged to account for it to the Member or other person.

PART XII - ALTERATION OF SHARE CAPITAL

45. **Increase of Capital**

- (a) The ICAV may from time to time by Ordinary Resolution increase its capital by such number of shares as the resolution shall prescribe.
- (b) Except so far as otherwise provided by the conditions of issue or by this Instrument, any capital raised by the creation of new shares shall be considered part of the pre-existing share capital of the ICAV and shall be subject to the provisions herein contained with reference to transfer and transmission, and otherwise.

46. **Consolidation, Sub-Division and Cancellation of Capital**

The ICAV may from time to time by Ordinary Resolution:

- (a) consolidate and divide all or any of its share capital into a smaller number of shares than its existing shares;

- (b) subject to the provisions of the Act, sub-divide its shares, or any of them, into a larger number of shares than that fixed by Clause 6 (a); or
- (c) cancel any shares which, at the date of the passing of the Ordinary Resolution in that behalf, have not been taken, or agreed to be taken, by any person, and diminish the amount of its share capital by the amount of the shares so cancelled.

47. Reduction of Capital

In addition to any rights of the ICAV specifically conferred by this Instrument to reduce its share capital, the ICAV from time to time, by Special Resolution, may reduce its share capital in any way and in any manner subject to any incident authorised or consent required by law.

PART XIII - GENERAL MEETINGS

48. Annual General Meeting

Pursuant to the Act, the Directors have elected to dispense with the holding of annual general meetings. Notwithstanding this, one or more Shareholders holding, or together holding, not less than 10% of the voting rights in the ICAV, or the Auditor of the ICAV, may require the ICAV to hold an annual general meeting in a specific year, by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting.

49. Extraordinary General Meetings

All general meetings (other than Annual General Meetings) shall be called Extraordinary General Meetings.

50. Convening General Meetings

The Directors may convene general meetings. The Directors may call an Extraordinary General Meeting whenever they think fit and Extraordinary General Meetings may also be convened on such requisition, or in default may be convened by such requisitionists and in such manner as provided by the Act. If at any time there are not within the State sufficient Directors capable of forming a quorum, any Director or any two Members of the ICAV may convene an Extraordinary General Meeting in the same manner as nearly as possible as that in which general meetings may be convened by the Directors.

51. Notice of General Meetings

- (a) Subject to the provisions of the Act allowing a general meeting to be called by shorter notice, an Annual General Meeting and an Extraordinary General Meeting called for the passing of a Special Resolution shall be called by at least twenty-one Clear Days' notice and all other Extraordinary General Meetings shall be called by at least fourteen Clear Days' notice.
- (b) Any notice convening a general meeting shall specify the time and place of the meeting, the general nature of that business, and, in reasonable prominence state that a Member entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote in his place and that a proxy need not be a Member. It shall also give particulars of any Directors who are recommended by the Directors for appointment as Directors at the meeting, or in respect of whom notice has been duly given to the ICAV of the intention to propose them for appointment as Directors at the meeting. Subject to any restrictions imposed on any Shares, the notice shall be given to all the Members and those persons listed in Clause 125.

- (c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
- (d) Where, by any provision contained in the Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the ICAV have resolved to submit it) unless notice of the intention to move it has been given to the ICAV not less than twenty-eight days (or such shorter period as the Act permit) before the meeting at which it is moved, and the ICAV shall give to the Members notice of any such resolution as required by and in accordance with the provisions of the Act.

PART XIV - PROCEEDINGS AT GENERAL MEETINGS

52. Business to be Transacted

All business shall be deemed special that is transacted at an Extraordinary General Meeting as also will all business that is transacted at an Annual General Meeting with the exception of the consideration of the accounts and the balance sheet and the reports of the Directors and Auditors, the election of Directors and Auditors in the place of those retiring and the appointment and the fixing of the remuneration of the Auditors. Save as may be otherwise provided in this Instrument, the provisions of this Instrument relating to Extraordinary General Meetings shall apply mutatis mutandis to class meetings and meetings of Shareholders in a Fund.

53. Quorum for General Meetings

- (a) No business other than the appointment of a Chairman shall be transacted at any general meeting unless a quorum of Members is present at the time when the meeting proceeds to business. Except as provided in this Instrument in relation to an adjourned meeting, two persons entitled to vote upon the business to be transacted, each being a Member or a proxy for a Member, or a duly authorised representative of a corporate Member, shall be a quorum for all purposes.
- (b) If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such other day and at such other time and place as the Directors may determine. If at such adjourned meeting such a quorum is not present within half an hour from the time appointed for holding the meeting, then the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, the Members present shall be a quorum.

54. Chairman of General Meetings

- (a) The Chairman (if any) or, in his absence, the Deputy Chairman (if any) of the Board or in his absence, some other Director nominated by the Directors shall preside as Chairman at every general meeting of the ICAV. If at any general meeting none of such persons shall be present within fifteen minutes after the time appointed for the holding of the meeting and willing to act, the Directors present shall elect one of their number to be Chairman of the meeting and, if there is only one Director present and willing to act, he shall be Chairman.
- (b) If at any meeting no Director is willing to act as Chairman or if no Director is present within fifteen minutes after the time appointed for the holding of the meeting, the Members present and entitled to vote shall choose one of the Members present to be Chairman of the meeting.

55. Directors' and Auditors' Right to Attend General Meetings

A Director shall be entitled, notwithstanding that he is not a Member, to attend and speak at any general meeting and at any separate meeting of the holders of any Fund or Class of Shares in the ICAV. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as Auditors.

56. Adjournment of General Meetings

The Chairman, with the consent of a meeting at which a quorum is present, may (and shall if so directed by the meeting) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for fourteen days or more sine die, at least seven Clear Days' notice shall be given specifying the time and meeting and the general nature of the business to be transacted. Save as aforesaid, it shall not be necessary to give any notice of an adjourned meeting.

57. Determination of Resolutions

At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands, a poll is duly demanded. Unless a poll is so demanded, a declaration by the Chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such a resolution. The demand for a poll may be withdrawn before the poll is taken but only with the consent of the Chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

58. Entitlement to Demand Poll

Subject to the provisions of the Act, a poll may be demanded:

- (a) by the Chairman of the meeting;
- (b) by at least five Members present (in person or by proxy) having the right to vote at the meeting;

104. Interim Dividends

Subject to the provisions of the Act, the Directors may from time to time if they think fit declare and pay such interim dividends on Shares of any Class as appear to the Directors to be justified by the profits of the relevant Fund.

105. Source of Dividends

No dividend shall be payable except out of such funds as may be lawfully distributed as dividends. Dividends may be paid out of a Fund’s total income net of expenses and/or net income, realised and unrealised gains on the disposal/revaluation of Investments and other assets less realised and unrealised losses of the relevant Fund and / or realised gains net of realised and unrealised losses and/or capital of the relevant Fund, and/or out of the capital of the ICAV, as set out in the Prospectus relevant to the Fund.

106. Receipts

If several persons are registered as joint holders of any Share, any one of them may give effectual receipts for any dividend or other monies payable on or in respect of the Shares.

107. Dividends in Specie

A general meeting declaring a dividend may direct, upon the recommendation of the Directors, that the Directors may satisfy any dividend or capital sum payable to holders of the Shares of any Class in whole or in part by distributing to them in specie any of the assets of the relevant Fund, and in particular any Investments to which the relevant Fund is entitled.

108. Reinvestment of Dividends

- (a)

- (i) Subject to the right of election provided for in Clause 110(b) below dividends declared in accordance with the provisions of this Instrument will be paid as provided in sub-paragraph (ii) below and used in payment for additional Shares (the "Additional Shares") upon such terms and conditions and in such manner as the Directors shall determine. Each holder of Shares who has not made such election under sub-paragraph (b) below (a "Relevant Holder") shall be entitled to receive an allotment of such number of Additional Shares credited as fully paid up, which, calculated by reference to the Net Asset Value of the Shares as at the Valuation Point immediately after said payment, is nearly as possible equal to (but not in excess of) the cash amount of the relevant dividend.
 - (ii) The number of Additional Shares to which a Relevant Holder is entitled shall be such number of Additional Shares the aggregate Subscription Price of which (ruling at the Relevant Period as defined hereinafter) is equal as nearly as may be to the amount of the dividend (less any fees due to distributing agents pursuant to the relevant Prospectus) to which that holder is entitled. For the purposes of this Clause 110 "Relevant Period" means the Valuation Point preceding the date of payment of the relevant dividend.
 - (iii) The cash amount of the dividend on or in respect of Shares held by the Relevant Holders shall be paid to the Depository who shall apply the same in paying up in full the appropriate number of Additional Shares for allotment and distribution credited as fully paid to the Relevant Holders. The Directors may do all acts and things considered necessary or expedient to give effect to any such allotment.
 - (iv) The Additional Shares allotted to the Relevant Holders shall rank pari passu in all respects with the Shares of the relevant Fund then in issue save only as regards participation in the relevant dividend.
 - (v) Confirmations of ownership in writing will be issued by the ICAV in respect of Additional Shares.
- (b)
- (i) Notwithstanding the generality of the foregoing, when making an application for Shares, or otherwise on the acquisition of Shares, each Applicant or transferee shall be entitled to elect by service of notice In writing on the ICAV to receive cash in satisfaction of the whole of any dividends that may be payable on the Shares for which application is made or which are acquired.
 - (ii) Where any such election referred to in Clause 110(b)(i) above is in force a holder of Shares may, by serving notice In writing on the ICAV, revoke that election, which revocation must be received at the Office at least ten (10) Business Days before the next following Relevant Period to be effective in respect of dividends declared in respect of that date.
 - (iii) An election shall be personal to the holder of Shares concerned in his capacity as a holder and, in respect of any Shares transferred, shall automatically cease to have effect upon registration of the transfer or transmission of the relevant Shares but shall continue in effect in respect of Shares retained.
- (c) A holder of Shares who has made an election in accordance with Clause 110(b)(i) shall be deemed to have made an election in respect of any further such Shares registered in his name in the Register in relation to all dividends declared on such Shares, until he revokes such election.
 - (d) Without prejudice to but notwithstanding the foregoing provisions of this Clause, the Directors may on occasion determine that such right of election to have dividends paid in cash shall be subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to any legal or fiscal problems under the laws of, or the requirements of, any regulatory or taxation authority in any territory.

109. Ranking of Dividends

If any Share is issued on terms providing that it shall rank for dividend as and from or after a particular date, or to a particular extent, such Share shall rank for dividend accordingly.

110. Payment of Dividends

- (a) Any dividend in respect of any Share will be paid by wire transfer (less expenses) or cheque to the bank account indicated on the Shareholder's Application Form for Shares or other written instructions to the ICAV or its authorised agents. If no such instructions have been given, dividends will be sent by cheque, by post (at the Shareholder's risk) to the relevant Shareholder's address as set out in the Shareholders' Register and, in the case of joint holders, the joint holder whose name stands first in the Shareholders' Register. Every such cheque shall be made payable to the order of the person to whom it is sent and payment of the cheque shall be a good discharge to the ICAV. Any joint holder or other person jointly entitled to a Share as aforesaid may give receipts for any dividend or other moneys payable in respect of the Share.
- (b) The Directors may deduct from any dividend or other monies payable to any Shareholder all sums of money (if any) presently payable by him to the ICAV in relation to the Participating Share.
- (c) Where the ICAV is required to pay any taxation as a consequence of making any dividend payment to a Shareholder, the Directors may deduct from the payment to be made to the relevant Shareholder an amount equal to the taxation attributable to the relevant payment(s) and pay such amount to the appropriate tax authority.

111. Dividends not to bear Interest

No dividend or other moneys payable in respect of a Share shall bear interest against the ICAV unless otherwise provided by the rights attached to the Share.

112. Payment to Holders on a Particular Date

Any resolution declaring a dividend on Shares of any Class, whether a resolution of the ICAV in general meeting or a resolution of the Directors, may specify that the same may be payable to the persons registered as the holders of such Shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se of transferors and transferees of any such Shares in respect of such dividend. The provisions of this Clause shall apply, mutatis mutandis, to capitalisations to be effected in pursuance of this Instrument.

113. Unclaimed Dividends

If the Directors so resolve, any dividend which has remained unclaimed for six years from the date of its declaration shall be forfeited and cease to remain owing by the ICAV and become the property of the relevant Fund. The payment by the Directors of any unclaimed dividend or other moneys payable on or in respect of a Share into a separate account shall not constitute the ICAV a trustee in respect thereof.

114. Currency of Payment and Foreign Exchange Transactions

Where payments in respect of subscription or redemption of Shares or dividend payments are tendered or requested in a major currency other than the base currency of the relevant Fund, any necessary foreign currency transactions may be arranged by the Administrator for the account of, and at the risk and expense of, the Applicant at the time, in the case of subscriptions at the time cleared funds are received, in the case of redemptions at the time the

request for redemption is received and accepted, and in the case of dividends at the time of payment.

115. Reserves

Before recommending any dividend, whether preferential or otherwise, the Directors may carry to reserve out of the profits of the ICAV such sums as they think proper. All sums standing to reserve may be applied from time to time in the discretion of the Directors for any purpose to which the profits of the ICAV may be properly applied and at the like discretion may be either employed in the business of the ICAV or invested in such Investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. Any sum which the Directors may carry to reserve out of the unrealised profits of the ICAV shall not be mixed with any reserve to which profits available for distribution have been carried. The Directors may also carry forward, without placing the same to reserve, any profits which they may think it prudent not to divide.

PART XXIV - CAPITALISATION OF PROFITS OR RESERVES

116. Distributable Profits and Reserves

The ICAV in general meeting may resolve, upon the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the ICAV's reserve accounts (including capital reserves) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividend on any Shares with a preferential right to dividend amongst the Members who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up in full unissued Shares of the ICAV to be allotted and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in one way and partly in the other, and the Directors shall give effect to such resolution.

117. Non-Distributable Profits and Reserves

Without prejudice to any powers conferred on the Directors as aforesaid, the ICAV in general meeting may resolve, on the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the ICAV's reserve accounts or to the credit of the profit and loss account which is not available for distribution by applying such sum in paying up in full unissued Shares to be allotted as fully paid bonus Shares to those Members of the ICAV who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions) and the Directors shall give effect to such resolution.

118. Implementation of Capitalisation Issues

Whenever such a resolution is passed in pursuance of either of the two immediately preceding Clauses, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid Shares, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provisions as they shall think fit for payment in cash or otherwise in the case of Shares becoming distributable in fractions and to authorise any person to enter on behalf of all the Members entitled thereto into an agreement with the ICAV providing for the allotment to them respectively, credited as fully paid up, of any further Shares to which they may become entitled upon such capitalisation or (as the case may require) for the payment up by the ICAV on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing Shares, and any agreement made under such authority shall be effective and binding on all such Members.

PART XXV - NOTICES

119. Notices In Writing

 - (iv) by sending the same by facsimile or electronic means to such facsimile number or electronic address as may have been provided by the Member to the ICAV.
- (b) Where a notice or document is given, served or delivered pursuant to Clause 120(a)(i) or (a)(ii), the giving, service or delivery thereof shall be deemed to have been effected at the time the same was handed to the Member or his authorised agent, or left at his registered address (as the case may be).
- (c) Where a notice or document is given, served or delivered pursuant to Clause 120(a)(iii), the giving, service or delivery thereof shall be deemed to have been effected at the expiration of seventy-two hours after the cover containing it was posted. In proving service or delivery it shall be sufficient to prove that such cover was properly addressed, stamped and posted.
- (d) Where a notice is given pursuant to Clause 120(a)(iv), the giving thereof shall be deemed to have been effected at the time of termination of the transmission.
- (e) Every legal personal representative, committee, receiver, curator bonis or other legal curator, assignee in bankruptcy or liquidator of a Member shall be bound by a notice given as aforesaid if sent to the last registered address of such Member, notwithstanding that the ICAV may have notice of the death, lunacy, bankruptcy, liquidation or disability of such Member.
- (f) Without prejudice to the provisions of Clauses 120(a)(i) and (a)(ii), if at any time by reason of the suspension or curtailment of postal services within the State, the ICAV is unable effectively to convene a general meeting by notices sent through the post, a general meeting may be convened by a notice advertised on the same day in at least one leading national daily newspaper published in the State and such notice shall be deemed to have been duly served on all Members entitled thereto at noon on the day on which the said advertisement or advertisements shall appear.
- (g) At the option of the ICAV, and where appropriate means are available, notice may also be served by means of telefax, electronic mail or other such means as may be available.
- (h) In any such case the ICAV shall send confirmatory copies of the notice through the post to those Members whose registered addresses are outside the State (if or to the extent that in the opinion of the Directors it is practical so to do) or are in areas of the State unaffected by such suspension or curtailment of postal services and if at least ninety-six hours prior to the time appointed for the holding of the meeting the posting of notices to Members in the State, or any part thereof which was previously affected, has become practical in the opinion of the Directors, the Directors shall send forthwith confirmatory copies of the notice by post to such Members.

- (i) Notwithstanding anything contained in this Clause the ICAV shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than the State.
- (j) The accidental omission to give any such confirmatory copy of a notice of a meeting to, or the non-receipt of any such confirmatory copy by, any person entitled to receive the same shall not invalidate the proceedings at the meeting.

121. Service on Joint Holders

A notice may be given by the ICAV to the joint holders of a share by giving the notice to the joint holder whose name stands first in the Register in respect of the share and notice so given shall be sufficient notice to all the joint holders.

122. Service on Transfer or Transmission of Shares

- (a) Every person who becomes entitled to a share shall be bound by any notice in respect of that share which, before his name is entered in the Register in respect of the share, has been duly given to a person from whom he derives his title.
- (b) Without prejudice to the provisions of this Instrument allowing a meeting to be convened by newspaper advertisement a notice may be given by the ICAV to the persons entitled to a share in consequence of the death or bankruptcy of a Member by sending or delivering it, in any manner authorised by this Instrument for the giving of notice to a Member, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.

123. Signature to Notices

The signature to any notice to be given by the ICAV may be written or printed.

124. Deemed Receipt of Notices

A Member present, either in person or by proxy, at any meeting of the ICAV or the holders of any Class of Shares in the ICAV shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

125. Entitlement to Notices

Notice of every general meeting shall be given in any manner herein authorised to:

- (a) every Member;
- (b) every person upon whom the ownership of a share devolves by reason of his being a personal representative, or the Official Assignee in bankruptcy of a Member, where the Member but for his death or bankruptcy would be entitled to receive notice of the meeting;
- (c) the Directors;
- (d) the Administrator;
- (e) the Depositary;
- (f) the Investment Manager; and
- (g) the Auditors.

No other person shall be entitled to receive notices of general meetings.

PART XXVI - WINDING UP

126. Winding Up

The Directors may, by way of a resolution of all of the Directors for the time being, approve any proposal to take action to wind up the ICAV or to take action that would otherwise cause the ICAV to be wound up.

127. Distribution on Winding Up

- (a) If the ICAV shall be wound up, the liquidator shall, subject to the provisions of the Act, apply the assets of the ICAV on the basis that any liability incurred or attributable to a Fund shall be discharged solely out of the assets of that Fund.
- (b) The assets available for distribution among the Members shall then be applied in the following priority:
 - (i) firstly, in the payment to the holders of the Participating Shares of each class of each Fund of a sum in the currency in which that Class is designated or in any other currency selected by the liquidator as nearly as possible equal (at a rate of exchange determined by the liquidator) to the Net Asset Value of the Participating Shares of such class held by such holders respectively as at the date of commencement to wind up provided that there are sufficient assets available in the relevant Fund to enable such payment to be made. In the event that, as regards any class of Participating Shares, there are insufficient assets available in the relevant Fund to enable such payment to be made, recourse shall be had:
 - A. first, to the assets of the ICAV not comprised within any of the Funds and not (save as provided in the Act) to the assets comprised within any of the Funds; and
 - B. second, to the assets remaining in the Fund for the other classes of Participating Shares (after payment to the holders of the Participating Shares of the classes to which they relate of the amounts to which they are respectively entitled under paragraph (i)) pro rata to the total value of such assets remaining within each such Fund;
 - (ii) secondly, in the payment to the holders of the Subscriber Shares of sums up to the nominal amount paid thereon out of the assets of the ICAV not comprised within any Fund remaining after any recourse thereto under sub-paragraph (i) above. In the event that there are insufficient assets as aforesaid to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Funds;
 - (iii) thirdly, in the payment to the holders of each class of Participating Shares of any balance then remaining in the relevant Fund, such payment being made in proportion to the number of Participating Shares held; and
 - (iv) fourthly, in the payment to the holders of each class of Participating Shares of any balance then remaining and not comprised within any of the Funds, such payment being made in proportion to the Net Asset Value of each Fund and within each Fund to the Net Asset Value of each class and in proportion to the number of Participating Shares held in each class.
- (c) A Fund may be wound up in accordance with the Act and in such event the provisions of this Clause and Clause 128 will apply mutatis mutandis in respect of that Fund.

128. Distribution in Specie

If the ICAV shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of an Ordinary Resolution or with the prior written approval of all Shareholders of the relevant Fund and any other sanction required by the Act, divide among the Shareholders in specie the whole or any part of the assets of the ICAV, and whether or not the assets shall consist of property of a single kind, and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the Shareholders or different classes of Shareholders. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator, with the like authority, shall think fit, and the liquidation of the ICAV may be closed and the ICAV dissolved, but so that no Shareholder shall be compelled to accept any assets in respect of which there is liability and any Shareholder may instruct the liquidator to sell any assets, to which he is entitled, on his behalf (the costs of such sale may be charged to the redeeming Shareholder.) The liquidator may with a like authority transfer the whole or part of the assets of the ICAV to a company (or ICAV) (the "Transferee") on terms that members of any Class of Share in the ICAV shall receive from the Transferee shares in the Transferee of the equivalent value to their shareholding in the ICAV and the liquidator shall be entitled with such authority to enter into an arrangement with the Transferee to give effect to any such transfer.

PART XXVII - MISCELLANEOUS

129. Destruction of Records

The ICAV shall be entitled to destroy all instruments of transfer of shares which have been registered at any time after the expiration of six years from the date of registration thereof and all dividend mandates and notifications of change of address at any time after the expiration of two years from the date of recording thereof. It shall conclusively be presumed in favour of the ICAV that every entry in the Register purporting to have been made on the basis of an instrument or transfer or other document so destroyed was duly and properly made and a valid and effective instrument duly and properly registered and every other document hereinbefore mentioned in accordance with the recorded particulars thereof in the books or records of the ICAV. PROVIDED ALWAYS that:

- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- (b) nothing herein contained shall be construed as imposing upon the ICAV any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the ICAV in the absence of this Clause;
- (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

130. Accounts

- (a) The Directors shall cause to be kept such books of account as are required by the Act, such books shall contain details of:
